## Update on Relief Efforts in Haiti by the Presbyterian Church (U. S. A)

In the aftermath of the terrible earthquake in Haiti, your prayers, gifts and actions are making a difference. In a time when so many symbols of safety and security have been destroyed, your support of the One Great Hour of Sharing (our Easter offering) and Presbyterian Disaster Assistance (PDA) have been a tangible witness of God's presence and hope.

Working in concert with Action by Churches Together (ACT) Alliance and Church World Service, Presbyterian Disaster Assistance has provided assistance toward:

- Food, water and 35,000 hygiene kits and baby kits at 15 distribution sites.
- Temporary shelters for the many people left homeless.
- Supplies and vital infrastructure support including electrical, water, sanitation and security at Hôpital Sainte Croix (Holy Cross Hospital) in Leogane, one of the few operating medical facilities in the region, and the Faculty of Nursing Science of the Episcopal University of Haiti (FSIL).
- Initial assessments and ground work for community psycho-social recovery.

PDA cannot thank you enough for your compassion and generosity. We have been inspired by so many stories of children, youth groups, and congregations each doing their part in support of the earthquake response. The damage has been devastating, but as Presbyterian mission co-worker and PDA staff member, Carlos Cardenas, reports, despite the devastation, "Hope is alive."

Thank you for bringing hope to the people of Haiti. You can find situation updates and information on how you can get involved by visiting the PDA website. You may continue to make financial contributions by visiting this website, or make your check to St. Andrew, clearly marked Haiti Relief.
